Inviting parents/guardians and care givers to come and

Meet Our New Staff

Saturday, August 27th
9-11 am.

An informal meeting & introductions will take place from 9-10 or you can drop in at any time from 10-11 to chat with us. We would like to see both parents attend and be able to have some adult conversations with you about our school changes, policies and future goals. However if you feel you would like your child to be present to greet the teacher or experience the classroom once more we can accommodate you. I only ask that you please email me to let me know ahead of time so that I can arrange proper supervision for the children in their classroom while we are meeting separately in the church lower hall to have our adult conversations.
